ASAP Advancement Committee

ASAP Mission statement:

Connecting and supporting climate adaptation professionals to advance innovation and excellence in the climate adaptation field.

Through ASAP's website, affinity groups, webinars and meetings, climate adaptation leaders interact, share what's working, collaborate with their colleagues, and build essential climate resilience for communities across the country.

ASAP Advancement Committee Mission:

The ASAP Advancement Committee exists to support ASAP organizational goals with respect to finances, creation of a 5-year plan for developing diverse revenue streams and growing the individual memberships, corporate memberships, sponsorship, and donations. This committee includes the ASAP Treasurer and is responsible for providing preliminary review of and comments on ASAP Annual Budget and financial audits
