

**Bylaws of
American Society of Adaptation Professionals
a Texas Nonprofit Corporation**

Adopted April 13, 2015; Revised July 24, 2019

Article I

These Bylaws constitute the code of rules adopted by the American Society of Adaptation Professionals (the “Corporation”) for the regulation and management of its affairs.

Article II

Purpose

The Corporation exists for the purpose of fostering and encouraging climate resilient, adaptive communities across the country through educating the public and bringing together climate adaptation professionals and scholars to develop and implement climate resilient adaptation practices.

Article III

Board of Directors

Section 3.01. Powers. The Board of Directors (the “Board”) of this Corporation is vested with the management of the business and affairs of this Corporation, subject to the Texas Business Organizations Code, the Certificate of Formation, and these Bylaws. Directors of the Corporation need not be residents of the State of Texas or Members of the Corporation.

Section 3.02. Informal Action by Directors. Any action required by law to be taken at a meeting of the Board of Directors, or any action which may be taken at a meeting of the Board may be taken without a meeting if a consent in writing, setting forth the action to be taken, is signed by a sufficient number of the Directors as would be necessary to take that action at a meeting at which all of the Directors were present and voted, provided that all other requirements of law to make such written consent effective to take the action are met.

Section 3.03. Number of Directors. The Board will consist of not less than three (3) and not more than nine (9) Directors. Upon majority resolution of the Board, the number of Directors may be increased or decreased from time to time, but in no event will a decrease have the effect of decreasing the total number of Directors to less than three (3) Directors.

Section 3.04. Term of Directors. Directors shall serve terms of three (3) years. A Director may succeed himself or herself for only one consecutive term. After serving two (2) consecutive terms, a Director must vacate their position for at least one year before seeking re-election to another term.

Section 3.05. *Election of Directors.* On an annual basis, two Board positions will come up for nomination, reappointment, or may choose retirement, provided they have not exhausted their two consecutive three-year terms. Elections or appointments of Directors filling terms that are ending will be held on an annual basis, and may be conducted coincident with the Annual Meeting of the Board and with the convening of the annual Membership Meeting. When a reappointment or replacement is made, the reappointment or replacement is effective on the date that the prior term expired (i.e., the new term does not begin on the date of the election). Directors whose terms have expired may continue serving until they are either reappointed or their successors are chosen. Nominations for new Board members will be provided by current Board members and Membership on an annual basis. Nominations will be vetted by the Board based on pre-established criteria. The current Board will appoint two new Board members, by majority vote from the nomination pool, or Membership will vote for nominees and the top two will join the Board.

Section 3.06. *Newly Created Directorships and Vacancies.* Any vacancy occurring in the Board will be filled by the affirmative vote of a majority of the remaining directors even if the remaining Directors constitute less than a quorum of the Board. At the discretion of the Board, a vacancy occurring in the Board may also be filled by a vote of the Membership at a Special Membership Meeting called for that purpose. A Director elected to fill a vacancy will be elected for the unexpired term of their predecessors in office.

Section 3.07. *Staggered Terms.* There will be staggered terms of office for Directors so that two of the directorships will be up for election each year. year (or if the number does not evenly divide by thirds, the Board will be divided as close to thirds as possible). In the event of extensive Board vacancies, the system for staggered terms of office will be implemented as follow: At the first meeting of the Board after turn-over there will be a drawing to determine the initial terms of the Directors. After the drawing, one board member will have an initial term of one year, one board member will have an initial term of two years, and one board member will have an initial term of three years. The minutes of this board meeting will show the results of the drawing. Initial directors serving less than a full three-year term as their initial term (i.e., directors who draw a one-year term or two-year term), will be considered to have served a full three-year term for purposes of the limits on successive terms.

Section 3.08. *Resignation of Directors.* Any Director may resign at any time by delivering written notice to the Secretary or President of the Corporation. Such resignation will take effect upon receipt or, at such time specified by the written notice.

Section 3.09. *Removal of Directors.* Except as otherwise required by law or restricted by the Certificate of Formation or these Bylaws, any one or more of the Directors may be removed with cause at any time by action of the Board provided there is a quorum of not less than a majority of the entire Board present if such action is taken at a meeting of the Board.

Section 3.10. *Quorum of Directors.* Unless a greater proportion is required by law or by the Certificate of Formation or these Bylaws, a quorum for the transaction of business by the Board

of Directors will be majority of the Directors. Unless otherwise provided by law or by the Certificate of Formation or these Bylaws, the act of a majority of the Directors present at a meeting at which a quorum is present will be the act of the Board.

Section 3.11. Compensation. Directors shall not receive any salaries or other compensation for their services, but, by resolution of the Board, may be reimbursed for any actual expenses incurred in the performance of their duties for the Corporation, as long as a majority of disinterested Directors approve the reimbursement. The Corporation will not loan money or property to, or guarantee the obligation of, any Director.

Article IV Board Meetings

Section 4.01. Location of Board Meetings. Regular Meetings of the Board will be held at the location designated by the President or Board. Board meetings may also be held via telephone or similar communication equipment, or another suitable electronic communications system, including videoconferencing technology or the Internet or any other technology that allows for concurrent communication of all Directors entitled to participate as designated by the President or Board.

Section 4.02. Regular and Special Meetings. The Board will hold a regular meeting annually, which will be known as the Annual Meeting of the Board. Regular Meetings of the Board will be held twice a year, or more frequently as deemed necessary by the Board. Special Meetings may be called by the President or by any three (3) of the Directors.

Section 4.03. Notice of Meetings. Notice of the Annual and Regular Meetings of the Board will be given to each Director at least seven (7) days prior to the meeting. Notice of each Special Meeting of the Board will be given to each Director at least three (3) days prior to the Special Meeting. Special meetings called to amend the Certificate of Formation or Bylaws of the Corporation will require no less than ten (10) days prior notice. Notice may be given via any acceptable means including but not limited to regular mail, e-mail, or telephone call (including voice mail).

Section 4.04. Waiver of Notice. Attendance of a Director at a meeting will constitute waiver of notice of such meeting, except where a Director attends a meeting for the express purpose of objecting to the transaction of any business on the grounds that the meeting is not lawfully called or convened.

Section 4.05. Quorum. A majority of the incumbent Directors (not counting vacancies) will constitute a quorum for the purposes of convening a meeting or conducting business. At Board meetings where a quorum is present, a majority vote of the Directors attending will constitute an act of the Board unless a greater number of Directors is required by the Certificate of Formation or any provision of these Bylaws.

Section 4.06. *Actions Without a Meeting.* An action required or permitted to be taken by the Board under the Texas Business Organizations Code, the Certificate of Formation, or these Bylaws may be taken without a meeting, if the number of Directors necessary to approve the action at a normal Board Meeting individually and collectively consent in writing, setting forth the action to be taken. Such written consent will have the same force and effect as a unanimous vote of the Board.

Section 4.07. *Proxy Voting Prohibited.* Voting by proxy is prohibited.

Article V Executive Director

The Board may, upon resolution, appoint an Executive Director to serve at the Board's discretion and to carry out whatever tasks the Board from time to time resolves. The Executive Director will be paid an annual salary set by the Board. **American Society of Adaptation Professionals
Conflict of Interest Policy**

Article I

Purpose

The purpose of the conflict of interest policy is to protect the American Society of Adaptation Professionals' (the "Organization") interests when it is contemplating entering into a transaction or arrangement that might benefit the private interest of an officer or director of the Organization or might result in a possible excess benefit transaction. This policy not only serves to protect the Organization against legal consequences, but also protects the Organization from entering into transactions that create the appearance of impropriety. This policy is intended to supplement but not replace any applicable state and federal laws governing conflict of interest applicable to nonprofit and charitable organizations.

Article II

Definitions

1. **Interested Person**

Any director, principal officer, or member of a committee with powers delegated by the board of directors, who has a direct or indirect financial interest, as defined below, is an interested person.

2. **Financial Interest**

A person has a financial interest if the person has, directly or indirectly, through business, investment, or family:

- a. An ownership or investment interest in any entity with which the Organization has a transaction or arrangement,
- b. A compensation arrangement with the Organization or with any entity or individual with which the Organization has a transaction or arrangement, or
- c. A potential ownership or investment interest in, or compensation arrangement with, any entity or individual with which the Organization is negotiating a transaction or arrangement.

Compensation includes direct and indirect remuneration as well as gifts or favors that are not insubstantial.

A financial interest is not necessarily a conflict of interest. Under Article III, Section 2, a person who has a financial interest may have a conflict of interest only if the appropriate governing board or committee decides that a conflict of interest exists.

Article III **Procedures**

1. **Duty to Disclose**

In connection with any actual or possible conflict of interest, an interested person must disclose the existence of the financial interest and be given the opportunity to disclose all material facts to the directors and members of committees with governing board delegated powers considering the proposed transaction or arrangement.

2. **Determining Whether a Conflict of Interest Exists**

After disclosure of the financial interest and all material facts, and after any discussion with the interested person, the individual shall leave the governing board or committee meeting while the determination of a conflict of interest is discussed and voted upon. The remaining board or committee members shall decide if a conflict of interest exists or if the transaction or arrangement creates the appearance of impropriety.

3. **Procedures for Addressing the Conflict of Interest**

- a. An interested person may make a presentation at the governing board or committee meeting, but after the presentation, they shall leave the meeting during the discussion of, and the vote on, the transaction or arrangement involving the possible conflict of interest.
- b. The chairperson of the governing board or committee shall, if appropriate, appoint a disinterested person or committee to investigate alternatives to the proposed transaction or arrangement.
- c. After exercising due diligence, the governing board or committee shall determine whether the Organization can obtain with reasonable efforts a more advantageous transaction or arrangement from a person or entity that would not give rise to a conflict of interest or the appearance of impropriety.
- d. If it is not reasonably possible to secure a more advantageous transaction or arrangement that does not give rise to a conflict of interest or appearance of impropriety, the governing board or committee shall determine by a majority vote of the disinterested directors whether the transaction or arrangement is in the Organization's best interest, for its own benefit, and whether it is fair and reasonable. In conformity with the above determination, the governing board or committee shall make its decision as to whether to enter into the transaction or arrangement.

4. **Violations of the Conflicts of Interest Policy**

- a. If the governing board or committee has reasonable cause to believe a member has failed to disclose actual or possible conflicts of interest, it shall inform the member of the basis for such belief and afford the member an opportunity to explain the alleged failure to disclose.
- b. If, after hearing the member's response and after making further investigation as warranted by the circumstances, the governing board or committee determines the member has failed to disclose an actual or possible conflict of interest, it shall take appropriate disciplinary and corrective action.

Article IV
Records of Proceedings

The minutes of the governing board and all committees with board-delegated powers shall contain:

- a. The names of the persons who disclosed or otherwise were found to have a financial interest in connection with an actual or possible conflict of interest, the nature of the financial interest, any action taken to determine whether a conflict of interest was present, and the governing board's or committee's decision as to whether a conflict of interest in fact existed.
- b. The names of the persons who were present for discussions and votes relating to the transaction or arrangement, the content of the discussion, including any alternatives to the proposed transaction or arrangement, and a record of any votes taken in connection with the proceedings.

Article V
Compensation

- c. No voting member of the governing board or any committee whose jurisdiction includes compensation matters and who receives compensation, directly or indirectly, from the Organization, either individually or collectively, is prohibited from providing information to any committee regarding compensation.

Article VI
Annual Statements

Each director, principal officer and member of a committee with governing-board delegated powers shall annually sign a statement that affirms such person:

- a. Has received a copy of the conflicts of interest policy,
- b. Has read and understands the policy,
- c. Has agreed to comply with the policy, and
- d. Understands the Organization is charitable and in order to maintain its federal tax exemption, it must engage primarily in activities that accomplish one or more of its tax-exempt purposes.
