

Infrastructure Investment and Jobs Act (IIJA)/Bipartisan Infrastructure Law (BIL) Resources for Local Governments

Contact: Rachel Jacobson - rjacobson@adaptpros.org

Biden Administration

- [Bipartisan Infrastructure Law Guidebook](#) for State, Local, Tribal, And Territorial Governments, And Other Partners. It provides information on what programs to apply for and who to contact.
 - On p.453: [Federal Agency Contact Information](#)
 - On p.460: [Recommendations for Mayors on Infrastructure Implementation](#)
 - [Guidebook dataset broken down by climate action needs](#), developed by ASAP Member Josh Foster.
- [Fact sheet on competitive opportunities for local governments](#)
- [Rural playbook](#): This playbook is intended to help rural communities understand the available funding for infrastructure provided by the Bipartisan Infrastructure Law and other sources – offering information on the “what, where, and how” to apply for federal infrastructure dollars.
- <https://www.whitehouse.gov/build/>: At the bottom of this page, you will find a searchable database of grant programs, including information about when comment and application periods open and close.
- [Bipartisan Infrastructure Law Technical Assistance Guide](#): A guide describing 65 programs and resources focused on helping communities apply for and deploy federal infrastructure funding. In particular, see [FEMA BRIC Direct Technical Assistance](#).
- [Justice40 Implementation Guidelines](#)

National League of Cities

- [Your Infrastructure Questions Answered](#)
- [Infrastructure Bill Insights Dashboard](#)

Center for Climate and Energy Solutions

- [Cities Advancing Climate Action: Leveraging Funds for Local Impact Resource Guide](#): a collection of case studies that highlight what cities can do now to preposition for funding, plan for co-leveraging diverse funds, and develop projects to capture maximum community benefits. This document is meant to serve as both inspiration and a practical guide for cities. Also included at the end of this document is an appendix that features many of the new and existing climate related programs in the new Infrastructure Investment and Jobs Act (IIJA).

Government Finance Officers Association (GFOA)
