Q: Cheikh Cisse- Are there ever any programmes or funding related to climate change adaptation for Global South cities, especially African cities?

A: NCRF is only in the US and it's territories but don't fund foreign projects

Q: Lela Shepherd - Have you ever funded or even considered a wetland mitigation bank project through this program?

A: Don't fund mitigation

Q: Lela Shepherd - What about stormwater detention basins, if they can show fish/wildlife benefits?

Q: PMohandoss- For innovative projects seeking funding, what are the criteria for selection?

Q: Bala Balachandran- In the case of coastal areas exposed to wildfire along with coastal hazards, can wildfire components be included in the NCRF proposal?

A: Yes, shouldnt be the focus though. Have done preventative measures to prevent erosion, in Hawaii for example

Q: Lela Shepherd - natural stable channel design for channel conveyance of floodwaters?

A: Tends to be in line with the program, but would need more context

Q: David Burgy- Are there any cost effectiveness requirements?

A: Not required, but it is one of the criteria that proposals are evaluated on
